"Absolutely Impatient Over Delay."

DEMands prompt action

An open meeting to the City
Park Board by Mr. Sefton, the
commissioner, last week resulted in the
commissioner being instructed to
supply the park board with all
possible information concerning the
existing situation, and it was also
decided that the matter should be
brought to the attention of
the council at the first
opportunity.

Time for Biscuit and Berries
When your think of strawberries or other fresh fruit, think of
SHREDDED WHEAT BISCUIT
the cleanest, purest, most nutritious of all the cereal
foods—combines naturally with all kinds of acid
fruits—better than the soggy white flour dough of ordi-
nary short-cake and more easily digested. A Summer
delight and a stomach joy for those who like good things
to eat and who have to cut out heavy winter foods.

Heat a Shredded Wheat Biscuit in the oven to restore its crispness; then cover with
strawberries, raspberries, or other berries and serve with milk or cream, adding
sugar to suit the taste. A dish of Shredded Wheat with berries and cream is the
bright spot in a dull day. It will keep the stomach quiet and clean and the head
healthy and active. An ideal Summer food, ready-cooked, ready-to-serve. Your
grocer sells it.

Two Shredded Wheat Biscuits with milk or cream and a little fresh fruit will supply
all the energy needed for a half day's work or play.
