Mr. Frederick Law Olmsted,

Arrived with Winslow

this morning. Cannot you make your brother reconsider, cannot tell you how grieved I and everyone is at present turn of affairs. It appears Collier's efforts have so increased size that new site became unavoidable even your brother's staunchest supporters so voting.

Address answer Santa Barbara.

B. W. Goodhue.

\* PERSON taking telegram is requested to inquire of Operator  
If charges are "Collect," and if so, what?
