Esteemed Sirs,

Do not say trifles
upon your time. I take it for granted
that you have seen this but send
it in my wanderment, as to the
solution 1915. I had letter from Col Collins
on his Southern Trip - not long ago -
the Ceremony of Breaking Ground - the
wonderful factor, & many associations
made this seem really the greatest
"Point of Vantage" next New Orleans
in the development of our relations
with South America, but I admit
your resignation change the outlook
& my case for this as Pan-American in scope
I wish fully were
