Dear Sir:-

I have certain reasons, which are not idle ones,
for asking you whether the firm of Olmsted Brothers have
severed their connections with the 1915 Exposition at San
Diego.

Hoping that I am not taking a liberty in asking
you this question, I am,

Sincerely yours,

Sam Parsons

P. S. I want to thank you for your reference to me in the
July number of "Landscape Architecture" on the restoration
work on Boston Common.
