My dear Mr Olmsted

Your telegram reached

my office, when I was on my vacation so the delay in answering was caused by my not being at home, I am sorry that you resigned more for our sake than yours as I see what it means for San Diego a verry poor plan for the Exposition as F.P. Allen wants to be the whole thing and he does not know what a good plan is he is all right when it comes to building but he likes square corners and long lines and you know what that means in a plan such as we are trying to carry out.

I shall always look back on your stay in San Diego as one of the plesant things of my life and hope that we will be able in the futhur some way to have you return to S.D. we are to have a meeting of the Buildg and grounds comm next week which I shall attend with a heavy heart as I shall have to take progrma remember me to Mr Dawson with regards to your self I am yours truly
