

21st December, 1910.

Mr. Bertram Goodhue,

Gram, Goodhue and Ferguson, 170 Fifth Avenue, New York.

Dear Goodhue:

I have your letter of the 19th and the illustrations. I am sending some of them to Norton.

It is my impression that nothing definite will be decided about the architects of the Panama hotel for several months. They have not even decided definitely whether it is to be built at all. About the San Diego matter, I have written to my brother as I told you and I am awaiting a reply as to the situation there.

Very truly yours,
