Mr. Bertram Goodhue,

Cram, Goodhue & Ferguson, 170 Fifth Avenue, New York.

Dear Goodhue:-

My hopes are shattered by a telegram from my brother in response to one from me inquiring about the chances for getting you in on the San Diego Exposition.

He wires:

"No show for Goodhue"

Also, a letter from my brother received this morning, makes it apparent that there are a number of features about the situation in San Diego that will tend to make it no bed of roses from the designers point of view, whatever it may be horticulturally.

I need hardly say that I am greatly disappointed.

Very truly yours,
