San Diego, Cal.

Answered 27 Feb

Dear Olmsted,-

When I heard you were in charge of the work of the San Diego Exposition, I wrote asking if there was any opportunity for my aid on that work. As you know, I was one of the two Architects in Chief on the Omaha Exposition and one of the Board of Eight Architects on the St. Louis Exposition, so I am accustomed to the type of work, and enjoy doing it.

Yours sincerely,

C. Howard Walker
