Dear Fred,

Your letter reached me today  
& you can imagine how  
disappointed I was to hear  
the news of Jim Cumming  
I am so sorry for it, was  
really through me that you  
gave him that splendid  
chance, he must have  
lost his nerve for I have  
had him right here in Glasgow  
in charge of 60 to 80 men  
& he handled them well  
& then I send him to the

Dejean Potters & you saw  
yourself how well he did  
the work there, believe me  
I feel it keenly that he did  
not make good with you.

Bromley is not going to  
San Diego. I shall place  
him in or near Colo. Springs.  
In sending Cumming  
to you I had nothing but  
the interest of the firm at  
heart & also wished to  
reward him for the excellent  
work he did here & for his  
faithfulness to me.

I am so disappointed -

Very truly,  
Yours  
Carl. John - Carl.
