J.C. Olmsted,

OLMSTED BROTHERS
RECEIVED

Letter June 30th, telegram
6th received. New Commissioners all right.
Wangenheim, Dawson, Allen and I held conference
this morning. Will recommend to our committee
on Monday your location. Wangenheim stands
firm. Allen accedes. Think committee will be
unanimous for south site. Some exposition men
opposed but I believe you may consider you
have carried the day. Collier and Sefton
admire your stand but would like to have us
adopt Goodhue's site. My greeting to you.

(Signed) G.W. Marston.
