Dr. 27 July

1911

TO BEIDEN James F. Dawson

620 Timken Bldg San Diego, Calif.
Letter twenty second and plan received.
Much prefer my plan of fourteenth
July for Date Street entrance and
Cabrillo Bridge because less expensive
and more direct to Plaza Musica
than yours. Prefer Spanish Bridge
as on Blossom's plan of thirteenth
July, that is nearly as on first plan.
I ~~would probably~~ ^{might} agree to dam
where you show bridge if ^{Spanish} bridge
must be omitted account expense
but I want that bridge as first planned.
Why isn't El Camino Real ^{as} shown
on our plan number three as wired
you date twentieth July. Cross drives
