

Riverside Aug 4th - 11

Dear Mr. Chamberlain

The Mayor has been
holding up our bills
as far as I could find out
with out reason —

Mr Waugen been ~~was~~
away for about a
week but as soon as
he returned I took it up
with him and he gave it
attention at once —

I was able to get it just
before I left and then ~~it~~
exchanged the City cheques

\$2694.24

for a Cashiers check —

Miss Bullard spoke of sending it to
Seattle but I thought it best to
send it all to the office —
and then you could do as you
wish — I can not this mornin
but the first chance I get I
will send in an acct of the
cheques I have drawn — I think
\$350⁰⁰ while in San Diego
including Hotel, tickets East to
Waugenheim — this to \$300⁰⁰ is
too much for Blossoms salary
I have had two long talks with
him — and yesterday had a long
talk with Marston and he
assured me that he would

persuade Wangerheim to agree
to it this week ^{for 6 months} I think it
would be a good idea to write
Morse on a letter mentioning
it—

Morse also said that he
would at once take a firm
stand ~~of~~ with Allen and Sefton
re. the South Side — and I
need not fear it being changed
after I left

Yours faithfully,
James F. Dawson
