Dear Mr. Blossom;

The revised plan for West Drive, Balboa Park is finished in pencil & will be traced and a print sent you probably tomorrow. It extends to Nutmeg St. only.

The revision of exposition plan # 53 C is not proved so easy as I anticipated because of difficulty in grade from S.E. end Spanish Bridge to S. front of California Bldg. Mr. Whiting has worked on it yesterday & today. I have just looked at it. He has worked out my last idea and it seems to solve the problem. I am just leaving for Deer Isle but will be back Tuesday morning.

Yours very truly

John C. Olmsted
