Last letter we find to Marston is dated August 9th and explains telegram of August 8th to Marston stating that it is important to have drive south of permanenet buildings and provide for bridge across Spanish canyon connecting at northeast end of Cabrille bridge. The two bridges are important even if the Park appropriations for permanent buildings have to be reduced to provide for same. Cross drive south of administration building must be provided for. Sending you copy of letter of ninth to Marston.

James F. Dawson.
